- Gate

- First Release: 9 Jan 2005

- Presets: 97

**Wheel of Fortune #1c**

by H.G. Fortune

A big thank goes to ugo (Chris Sciurba for doing the GUI)

Tim Conrardy and John Dooley did patches.

New to V. 1.c is instant transposition via keyboard at the lower two octaves and still patchcompatible to prior version)

This is just to have fun with.

Wheel of Fortune #1 by H. G. Fortune  / Graphic Design by Ugo (Chris Sciurba)

Short Explanation of some knobs & buttons which are not such self explanatory
